Alta Marketing

<https://www.wearealtamarketing.com>

- Advertising, PR & Marketing
- Accepts all Majors
- Internships/ Full-Time

Alta is one of the 1500 fastest growing privately owned companies in the country. We're opening new branches every year which provides constant promotion from within. Our growth is fueled by developing leaders and entrepreneurs, while delivering exceptional service to our customers. We're currently hiring for outside and inside sales, accounting internships, and multiple other positions within the office. Alta can be a steppingstone or career path, but for all positions we look to build your skills, resume and bank account by paying above market rates. Too many employers hire interns for cheap labor; come to Alta and get paid what you're worth!

APPRISE Incorporated

<http://www.appriseinc.org>

- Biotech & Life Sciences
- Economics, Online Master of Science in Applied Data Science & Analytics, Political Science
- FT
-

APPRISE is a nonprofit research institute dedicated to collecting and analyzing data and information to assess and improve public programs. APPRISE research focuses on programs that provide energy bill payment assistance, energy education, renewable energy, and energy efficiency services to low-income households; and programs that provide incentives for undertaking energy efficiency projects to residential, commercial, and industrial utility customers.

APPRISE conducts a wide variety of research activities to provide program administrators and stakeholders with a comprehensive understanding of program design, operations, and impact. This research leads to informed recommendations for program improvement.

Arena Stage

<https://www.arenastage.org/fellowship>

- Majors: Advertising, Architecture, Art History, Communication & Media Studies, Cultural & Ethnic Studies, Drama & Theatre Arts, Foreign Languages & Literature, Higher Education, History, Interior Design, Radio, Television, Media
- Allen Lee Hughes Fellowship

Arena Stage is alive as a center for American theater in our nation's capital with productions, diverse and innovative works from around the country and the nurturing of new plays. Our focus is on American artists. We produce and present all that is passionate, exuberant, profound, deep and dangerous in the American spirit. We explore issues from the past, present and future that reflect America's diversity and challenges. These are voiced through

the productions we create the work we develop, the presentations that move beyond our stages and community and education programs that engage artists, students and audiences.

Arlington VA Public Schools

<https://www.apsva.us/about-aps/>

- K-12 Education
- All majors
- Full/Part time

For the second year in a row, Arlington Public Schools has been voted the number one place to teach in Virginia! Arlington Public Schools serves the citizens of Arlington, Virginia’s geographically smallest county, located across the Potomac River from the District of Columbia. We educate one of the nation’s most diverse and sophisticated student populations, and our more than 28,000 students come from around the world and speak more than 107 different languages. APS operates more than 40 schools and programs. We serve our students with a range of programs designed to meet individual student needs. The school division’s work is committed to ensuring all students learn, thrive, excel in high-quality, safe, and supportive schools.

Baltimore City Public Schools (MD)

<http://www.baltimorecityschools.org>

- K-12 Education
