INSTRUCTION

[BLACKBOARD FAQ'S](#)

## ACCESSING BLACKBOARD

Howard University students can gain access to Howard's Blackboard community at <https://blackboard.howard.edu> and via [ous.howard.edu](https://ous.howard.edu).

**Blackboard** will serve as many of your professors source of remote instruction, specifically **Blackboard Collaborate Ultra**.

**PLEASE WATCH:** [Blackboard Collaborate w/ Ultra Experience User Interface](#)

INSTRUCTION, CALLS, MEETINGS

## ACCESSING ZOOM

Howard University students can gain access to Zoom meetings at <https://zoom.us/join> and via [ous.howard.edu](https://ous.howard.edu).

Many professors will utilize **ZOOM** for remote instruction. Professors will provide links and/or passwords so that students will have access to remote instruction.

## MICROSOFT TEAMS

Howard University students are encouraged to get acquainted with Microsoft Teams. **PLEASE WATCH:** Instructions on [How to use Microsoft Teams & Microsoft Teams Student Group Project Scenario](#).

Many professors will use **MICROSOFT TEAMS** for remote instruction and varied forms of communication. Through *Microsoft Teams*, students will also have the capacity to share files, call and collaborate with classmates.

WORKING SUITES

## MICROSOFT SUITE

Microsoft Office 365, which includes **Microsoft Word, Excel, Outlook, Planner, One Note, Power Point, and One Drive**, are all available to Howard students by using their **"...bison.howard.edu"** email addresses to install.

Download Microsoft Suite, [Here](#).

## G - SUITE

G Suite provided by Google Cloud allows students to work, document-share, meet, collect data, and store documents remotely.

ALL Howard University students have access to G-Suite through their **"...@bison.howard.edu"** email accounts.
